publisher's note

THERE IS NOTHING politically correct about this special edition of Pro Wrestling Illustrated's "Women Of Wrestling." We can include detailed discussion about the athletic proficiency of the featured females, but that's like saying you buy *Playboy* to read the articles.

Say what you will—we know why you bought this magazine. You like to look at beautiful women. There's nothing to feel guilty about. Beauty is to be appreciated.

In fact …

"If eyes were made for seeing, then beauty is its own excuse for being."

—***The Rhodora,*** *Ralph Waldo Emerson*

And …

"If beauty is to be found amongst the ugliness of men in combat, then it is a man's obligation to glorify the paradox."

—*Stu Saks,* Pro Wrestling Illustrated

In truth, there is much beauty to be found in the ugliness of combat. A trained eye can peer through the grime and see the reason this sport has earned the label The Sweet Science. There are subtleties and nuances that allow one to appreciate the work between the ropes in much the same way one would look at a roped-off exhibit in an art museum.

But let's be shallow for a while, shan't we?

This issue is not about subtlety and nuance. It is what it is, and no excuse is made for its being. It is to be appreciated (yes, like that roped-off museum exhibit) and saved for times when your eyes need a break from the misery of the evening news or the chair shots on Monday and Thursday night wrestling.

Most of the women you will see in this issue would love to be a part of your Monday or Thursday night lives. Some, of course, already are. Others are in training for those coveted Raw and Smackdown spots. We have reason to believe WWE scouts have their eyes out for yet others. At the same time, there might have been a woman or two or three who have never appeared on WWE's radar screen. This exposure could help, and so can you. Which non-WWE woman would you like to see in WWE? That's one of the survey questions we pose to you in "Tell Us What You Think," beginning on page 160. Please take the time to fill it out.

This issue may exist in good fun for most of us. But for some, it could be the first step toward stardom.

***

My thanks go out to all the women who sent us material for use in this project (many of whom went to bed at night having nightmares about the term "300 dpi"). I'd also like to send special thanks to John Sgro, Web master of glorywrestling.com, for all the help he provided.

mini-bio: Not the type of wrestler who shares her hobbies or much else about her personal life with the public because "my life revolves around wrestling and that's what takes up all my time and energy" … Growing up, Kim played basketball, volleyball, soccer, baseball, and badminton and was twice named the Athlete of the Year at her secondary school … Studied kinesiology—the science of human movement—at the University of Toronto and Ryerson University … Like fellow Torontonian Trish Stratus, she trained under Ron Hutchison … Made her pro debut in December 2000 as the masked La Felina … Eventually lost the hood to arch-rival Tracy Brooks (who's now in NWA-TNA) … Patterned her attack after the high-flying Lucha Libre style … Signed with WWE in October 2002 and beat Dawn Marie in a bra and panties match at her first WWE house show … As impressive as that was, the best was yet to come … In her TV debut on June 30, 2003, she won a women's battle royal to capture the women's championship … Held the title for one month before dropping it to Molly Holly … Got somewhat lost in the WWE shuffle and struggled to recover from a broken collarbone suffered in a match with Trish Stratus … Returned with an even worse attitude than before and solidified her alliance with Molly Holly … Twice made women's champ Victoria tap out in May, but in neither case was the title at stake

ambition: To receive a WWE contract and to defeat Molly Holly

Photo By Scott Romer

mini-bio: Described as "terminally cute" in her bio on the OVW Web site, Jillian Hall was anything but to those who knew her as "The Bombshell" Macaela Mercedes on GLORY Wrestling … Ashland, Kentucky, native competed in gymnastics and was a cheerleader in high school … A wrestling fan since childhood, she idolized Rick Martel, Shawn Michaels, and Curt Hennig as a young girl, proving she always had a soft spot in her heart for the bad boys … Began her pro wrestling career at the age of 18 … Hall frequently competed as a heel and feuded with the likes of Phoenix and strongwoman Melissa Coates … Managed to win about a dozen championships in various independent promotions in just two years (including the GLORY title), a testament to her natural athleticism … Used plenty of underhanded tactics to defeat Coates to earn a spot with OVW in a tryout match … Since joining OVW, Hall has changed her ways and become the most popular woman in that company's women's division … In her biggest match to date, she wrestled Molly Holly in a televised OVW match … Won by disqualification when Nikita ran in and attacked her … Earned praise from WWE's Ivory in December 2003 and then defended the former WWE women's champ from a sneak-attack by Nikita … Has recently received a developmental deal and will most likely appear as a WWE diva in the near future

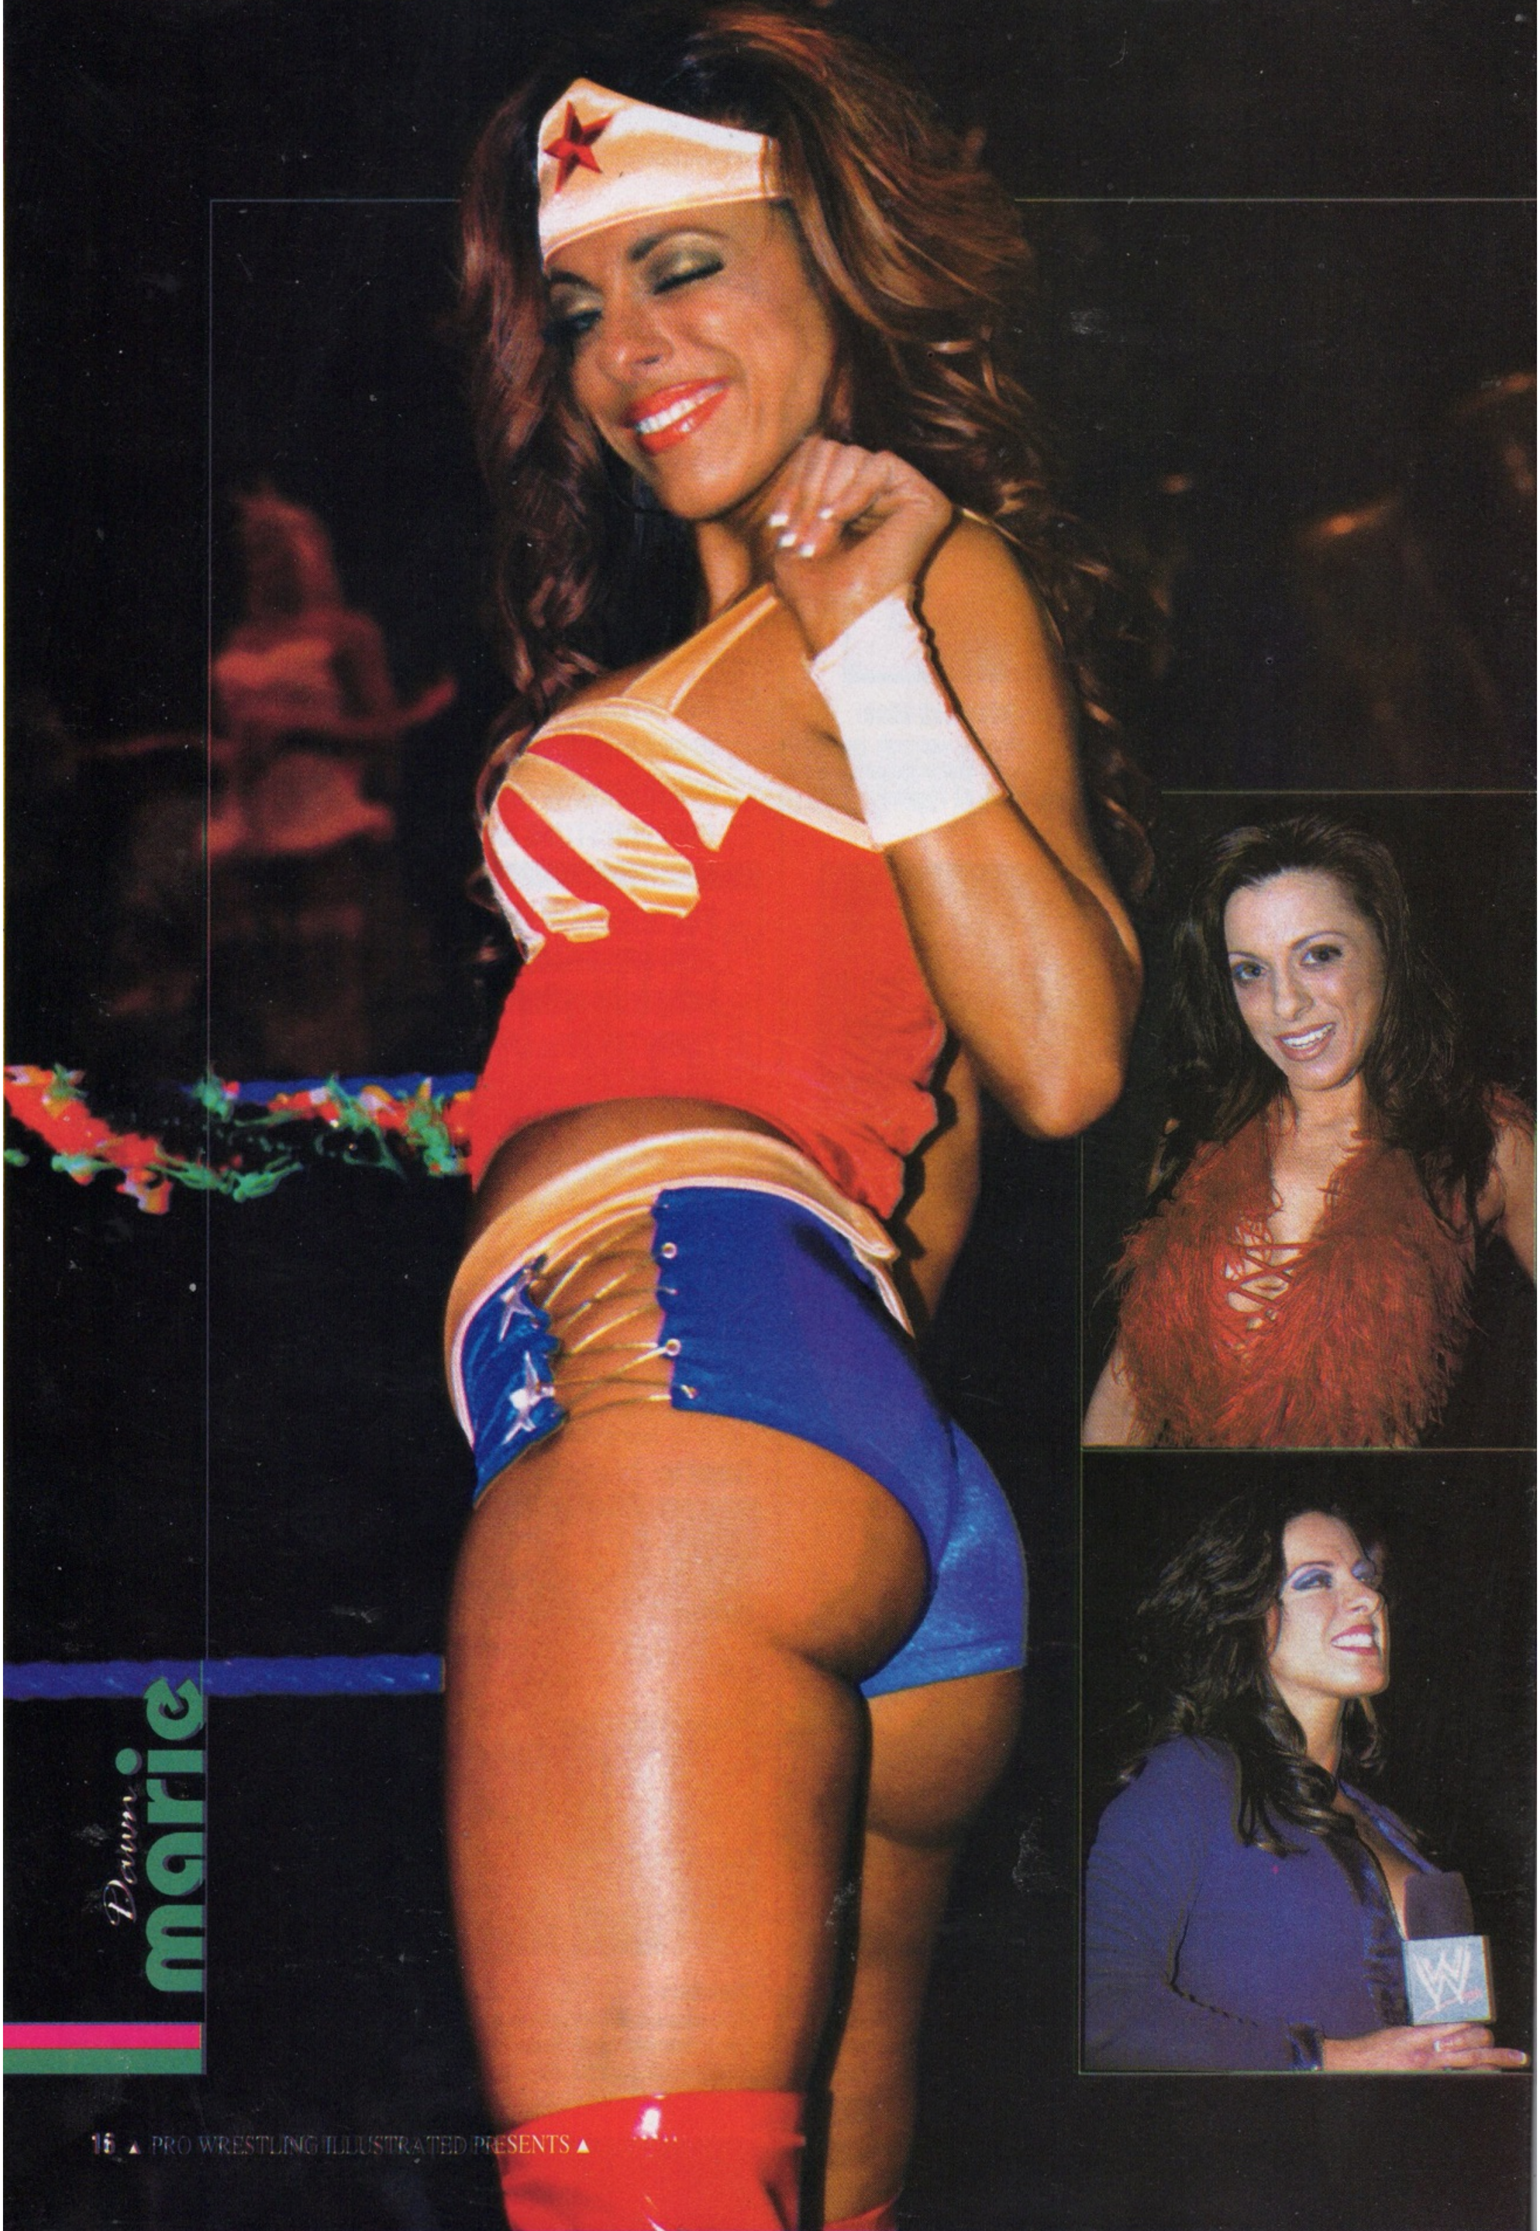
Dawn marie



Dawn marie

height: 5'7"

weight: 120

years pro: 9

can be seen in: WWE Smackdown

web site: www.dawnmarieonline.com

toughest opponents: Francine, Torrie Wilson

favorite move/hold: Fujiwara armbar

ambition: To become *the* star on UPN

mini-bio: You never know what you're going to get with Dawn Marie ... She's ditzy at one moment and devious the next (but she's always sexy!) ... Much happier working as Paul Heyman's assistant on Smackdown shows than she ever was as an active wrestler, although she still steps into the ring on occasion ... After working as a valet on the independent circuit for a few years, she joined ECW as Lance Storm's airheaded valet ... Surprisingly, Dawn Marie (then known as Tammy Lynn *Bytch)* got the best of Tammy Lynn Sytch in several catfights, but she always seemed to get her clock cleaned by "The Queen Of Extreme" Francine ... Guided Storm and Justin Credible to a pair of ECW tag titles ... After managing her real-life boyfriend, Simon Diamond, on the independent circuit, she signed with WWE in April 2002 ... Had a short fling with Vince McMahon and then—in her most memorable WWE storyline—used poor Al Wilson as a pawn to entice his daughter, Torrie ... Then, inexplicably, she "married" Al before killing him off with excessive nookie ... Has a lot of potential as Heyman's devious partner, especially when she's trying to seduce him with her low-cut blouses and micro-miniskirts ... Has no pretenses about becoming a serious wrestler ... She looks fine, and she knows it

Molly holly

height: 5'4"

weight: 140

years pro: 7

can be seen in: WWE Raw

web site: www.wwedivas.com

toughest opponent: Victoria

favorite moves/holds: Molly-go-round, missile dropkick

ambition: To become universally acknowledged as the greatest women's champion in WWE history

mini-bio: There's a darn good reason why Molly Holly is such a strong technical wrestler: She was trained by Dean Malenko, "The Man Of 1,000 Holds" … After working for two years on the Florida indy scene, she signed a deal with WCW in 1999 … Christened Miss Madness, Molly, sporting beautiful long, blond hair, allied with Randy Savage, Madusa, and Gorgeous George as Team Madness … While it was a high-profile position, she yearned to compete full-time, and the WCW women's division was dormant at the time … WCW ran out of ideas for her and she debuted in WWE on November 6, 2000 … Once again, her desire to compete as a serious wrestler took a backseat, as she was paired with "cousins" Bob and Crash Holly, and later The Hurricane (as superhero Mighty Molly) in comedy roles … Despite the goofy gimmicks, it was obvious she was a formidable wrestler … Dyed her hair black and began berating other divas for dressing so provocatively … Finally got a chance to shine in June 2002, beating Trish Stratus for the title … Trish got revenge by making fun of the size of Molly's posterior, a taunt that has haunted Molly ever since … Forget about the junk in Molly's trunk—she won the title again in July 2003 and defended it against Trish, Ivory, and Lita on several occasions … Lost the gold to Victoria in a four-way elimination bout on February 23 … Was so confident she's regain it at WrestleMania XX that she put her hair up … Victoria pinned her and shaved her bald … Still hasn't gotten over that and has taken to wearing wigs (with chin straps) to the ring since, although they usually come off during the course of matches

ambition: To make it as far as she can and, most importantly, enjoy whatever she does

mini-bio: This blonde bombshell has been a ringside mainstay throughout the Carolina independents for the past four years … Known as much for her "dumb blonde" antics as her pinup girl looks … Has never had trouble finding a man—to manage, that is … Currently handles Shawn Alexander's affairs … While not usually one to break a nail or mess up her hair, she has been known to kick off her heels and interfere in matches, doing whatever she feels is necessary to help her man win

height: 5'9"

weight: 133

years pro: 5

can be seen in: WWE Smackdown

web site: www.wwedivas.com

toughest opponent: Madusa

favorite move/hold: Swinging neckbreaker

ambition: To balance full-time careers as a model and WWE uber-diva

mini-bio: This stunning blond bombshell is a former fitness model who got into wrestling through a chance meeting with Kevin Nash … She hardly portrayed herself as a doe-eyed innocent back in those days … Joined the NWO and aided Hulk Hogan in his match against Ric Flair at SuperBrawl IX … From there, Torrie joined David Flair in his feud against his father … Eventually split from Flair and joined her real-life boyfriend, Billy Kidman, and The Filthy Animals … Turned against Kidman in 2000 and formed an alliance with Shane Douglas … Kidman recruited Madusa as his partner, and Madusa proceeded to beat the tar out of Torrie on a regular basis … At Fall Brawl 2000, Kidman and Madusa lost to Douglas and Torrie in an intergender scaffold match … Debuted in the WWF in June 2001 and immediately caught Vince McMahon's eye … Wrestled several matches designed to show off her incredible body more than her wrestling skills … Established herself as arguably WWE's most marketable diva in 2002 … Won the "Golden Thong" in WWE's inaugural "Thong-a-Thon" and feuded with Dawn Marie over Dawn's relationship with her father, Al … Became a *Playboy* cover girl in March 2003, and the issue became one of the magazine's all-time best-sellers … Married long-time beau Kidman in July 2003 … Again graced the pages of *Playboy* along with Sable in February 2004, igniting a hot (in more ways than one) feud with Raw's Stacy Keibler and Jackie Gayda … Is back feuding with Dawn again and narrowly escaped being chokeslammed off a ledge by The Big Show in the spring

Began training at former ECW star Jason Knight's House of Pain Pro Wrestling Dojo in Connecticut ... Knight liked her work and asked her to come train with him and his students on a regular basis ("Jason has helped me out tremendously! I owe everything I am or ever will be to him!") ... favorite move/hold: Poison Ivory facebuster

ambition: To serve as a long-time ambassador for WWE and help to train future divas

mini-bio: It's ironic that one of WWE's best technical wrestlers is a former GLOW girl … Not only was Ivory (then known as Tina Ferrari) part of the kitschy Gorgeous Ladies of Wrestling in the late-1980s, she also held that promotion's championship tiara (in lieu of a belt) and tag team title … But there was much more to Ivory than just T & A (which also happened to be the name of her team with Ashley Cartier) … After GLOW folded, she continued to compete for the AWA and various indy women's promotions … Big break came a decade after her run as GLOW champ when she made her WWE debut as a valet in 1999 … On June 8, 1999, defeated Debra to win the first of her three WWE women's championships … Most memorable run as women's champ was a dramatic departure from her GLOW days, as a buttoned-down, puritanical member of the Right To Censor faction … Became the most hated woman in the promotion by demanding that other women wrestlers clothe themselves and not compete (or even prance around) in skimpy outfits … Fans who had come to see Ivory as wrestling's version of Lilith Crane were stunned when—after the RTC disbanded—Ivory began wearing even more revealing outfits and "outed" herself as the stunningly beautiful woman she truly is … The most versatile and experienced woman on the WWE roster and also has proven to be a solid interviewer, announcer, and trainer … Currently the co-host (with Todd Grisham) of *The WWE Experience* on Sunday mornings on Spike TV

favorite move/hold: STF

ambition: To be remembered as the Mike Tyson of the WWE women's division

mini-bio: Don't bother asking Jazz about her feminine side—that's none of your business ... All she wants the world to see is the way she demolishes the wannabe beauty queens of WWE ... Inked a deal with ECW after being trained by Rod Price ... Won over a major fan in Paul Heyman, who was blown away by her raw power, dedication, and willingness to learn the art of wrestling ... At Heatwave 1999, pinned Jason after drilling him with a Jazz stinger on a chair ... Showed her vicious side—and her loathing for Barbie dolls masquerading as wrestlers—when she power-bombed Jasmin St. Claire in 2000 ... Made her TV debut in WWE at the 2001 Survivor Series as a mystery competitor in a six-way match for the vacant women's title ... Can take credit for helping Trish Stratus make the transition from eye candy to credible wrestler ... In January 2002, attacked Trish during a wet T-shirt contest ... The battle turned serious, and Trish found herself pushed to the limit by Jazz' ferocity ... Reigned as WWE's dominant woman during the first half of 2002, but was sidelined when she tore the anterior cruciate ligament in her left knee ... With Teddy Long at her side, regained the title at Backlash 2003, but lost it in a battle royal to the debuting Gail Kim on the June 30 edition of *Raw* ... Has been injury-prone in recent years ... Currently playing the role of spoiler in the women's division

years pro: 2

can be seen in: IWA Mid-South, NWA Wildside, NWA-TNA, NWA Missouri, Gateway Championship Wrestling

toughest opponents: Ms. Chif, Delirious, Sal Rinauro, Allison Danger, Jim Aggie, Trinity

favorite moves/holds: Heartpunch, Daizee cutter, Daizeecanrana

ambition: To continue to learn and to help to establish competitive women's wrestling around the world

mini-bio: Even though the lovely Daizee Haze has been wrestling for only two years, she has done her part to help prove that women's wrestling is alive and well in the independents in the Midwest and South … Makes regular stops in NWA-TNA … Has wrestled Alexis Laree, Simply Luscious, Trinity, Ms. Chif, and Brandi Wine … Has valeted for promising cruiserweight Matt Sydal on a number of *TNA Xplosion* shows … Accomplished competitor on the mat as well as in the air … Not reluctant to take on men … Trained by Delirious

toughest opponent: Erik Watts

favorite move/hold: Groin kick

ambition: To actually make money as a singer/songwriter, and continue working in movies and in wrestling

mini-bio: Goldylocks is striving to be one of the most versatile performers in the sport … Known as the "100 Percent Hardass American Woman," she's a songwriter and a professional wrestling personality whose outrageous weekly appearances on NWA-TNA pay-per-view events—she started as a backstage interviewer—got her noticed … Goldy also plays three instruments, designs her own clothing line, works as a professional photographer, and sings in five languages … Released her multilingual single "Kiss" in 2000 … In addition to opening concerts for artists like Pink and Li'l Zane, the Minneapolis native has performed at high schools all over country for D.A.R.E and at military bases all over the world for the USO … A Spanish language version of her EP will also be released in Mexico and South America … Love interest in Erik Watts ended in disaster when Goldy turned her back on her man, costing him his job as TNA's director of authority … Has since made appearances with many different looks and some strange foreign accents … Feud with Watts promised to be interesting

can be seen in: WWE Raw

web site: www.wwedivas.com

toughest opponents: Torrie Wilson, Jamie Noble

favorite move/hold: Hair pull

ambition: To become WWE's dominant diva

mini-bio: After winning the first *Tough Enough* competition, Nidia embraced her inner redneck … Well, not exactly … First, she went through extensive training in Ohio Valley Wrestling and made her debut as a manager, guiding Shelton Benjamin and Redd Dogg (Rodney Mack) … Synn frequently tested her mettle, but Nidia proved she wasn't afraid to fight, even when she gave up a significant size advantage to the devious manager … Finally made WWE debut in June 2002 as The Hurricane's former girlfriend-turned-stalker … Hurricane learned that hell hath no fury like a woman dumped when Nidia helped Jamie Noble take the caped one's cruiserweight title … Noble turned Nidia into his trailer park queen … With her teeny-tiny Daisy Dukes cutoffs and her constant gum-smacking, she became WWE's only redneck diva … Was also one of the promotion's most entertaining divas, as she stood out from the cookie-cutter mold of statuesque blondes … Attempt to walk the catwalk in high heels during the 2002 "Thong-a-Thon" was comedic gold … After Noble defeated Billy Gunn in an "indecent proposal" match in 2003, WWE cameras caught Noble, Wilson, Nidia, and Gunn all in bed together in a very odd scene … Relationship with Noble became strained after she was blinded by Tajiri's black mist … He mistreated her while she was supposedly blind, but she eventually caught on … Lost to Noble in a match in which he was blindfolded at No Way Out … Moved to Raw when her name was pulled in the draft lottery in March … Trying to get people to take her seriously as a wrestler in the women's division now

ambition: To help create a competitive women's division in NWA-TNA

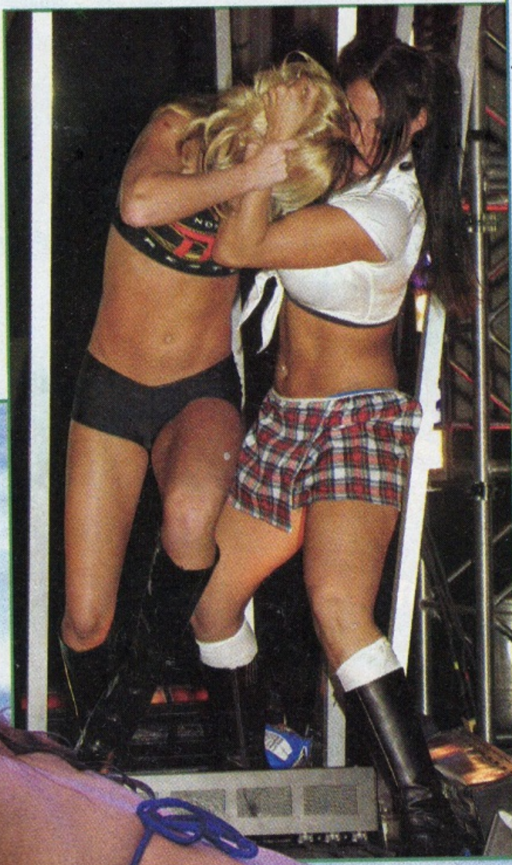

Photo By Vern Verna

mini-bio: Trained at Sully's Gym in Toronto, Ontario (where Edge and Christian were trained), and Squared Circle Training with El Fuego … Loves steak blue (in other words, as raw as possible!) … Tracy has three pink tank tattoos that can't be seen when she's wearing clothes … Loves to golf and watch baseball … Has wrestled all over North America … Grew up on a working pig farm in Ontario … Former Budweiser girl … Would like to open a shelter and rehabilitation center for abused animals someday … Caught in the middle of the explosive feud between Michael Shane and Shane Douglas, former allies in TNA's New Franchise, but she has sided with Michael Shane … Most embarrassing moment came when Christopher Daniels split her pants on an NWA-TNA pay-per-view. Daniels had tried to keep her in the ring by grabbing onto her pants, but the fabric ripped, exposing her backside to thousands of lucky TNA fans. Fortunately, she was wearing underwear, because she couldn't pull the pants back up … Known for her pretty smile … Regularly writes an advice column on wrestleology.com.

Shortly after graduating from high school, she hopped on a bus for Massachusetts to train at Killer Kowalski's school ... Less than a year later, she captured the IWF ladies championship and went on to capture gold throughout New England ... Top Stars Reveal:
"THIS WAS MY GREATEST MATCH!"

The first round of our Bargain Pack offer was so popular, you nearly cleaned us out! So we scoured our warehouse and chose additional titles for "the ultimate back issue offer."

Like we said before: This is the best back issue offer we've ever made—and the best we're going to make!

Imagine ... your favorite magazines for less than $1.50 per issue! It's true!

For a limited time, you can purchase grab bag bargain packs containing random issues of *Wrestling Superstars*, *Wrestle America*, *Sports Review Wrestling*, and our *Annuals* and *Yearbooks*, most of which are vintage issues from the 1980s and early-'90s. You don't get to choose the magazines we send, but you do choose between a grab bag containing 12 magazines or a grab bag containing six magazines!

Sold individually, these magazines would cost $5 apiece. For this special offer—and only while supplies last—you'll receive either 12 magazines for $16.95 (a savings of more than $43!) or six magazines for $12.95 (a savings of more than $17!). Postage is included!

What's the catch? There isn't one. We will put together the bargain packs, and while we'll try to maintain a variety (and we'll never repeat an issue in any given pack), we cannot allow substitutions or returns.

So don't delay!

This offer is good only while supplies last!

YES! I would like to get in on wrestling's ultimate back issue offer!

George frankenstein

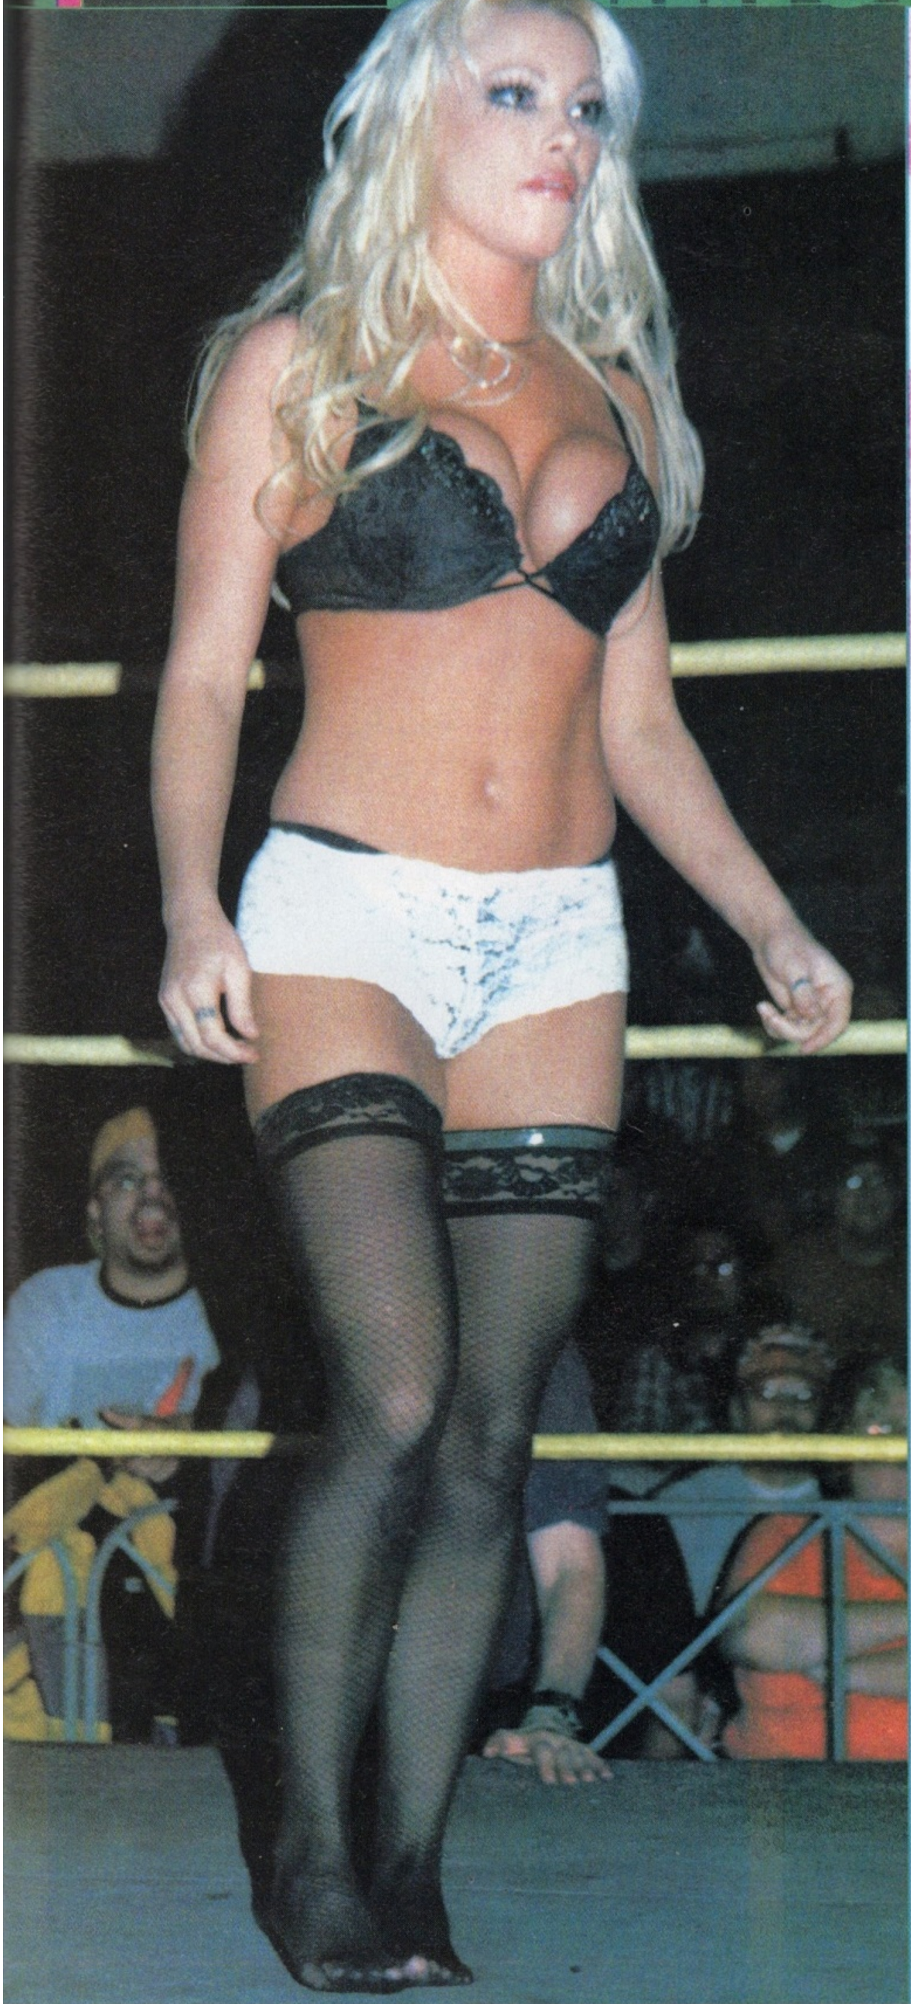

Photo By Warren Bernstein

height: 5'7"

weight: 128

years pro: 5

can be seen in: 3PW

toughest opponents:
Jasmin St. Claire, Charles Robinson

favorite move: Big elbow

ambition: To be recognized as the most beautiful woman in wrestling

mini-bio: Formerly known as Gorgeous George—no, not the dead guy from the golden age of wrestling ... Began her wrestling career alongside then-boyfriend Randy "Macho Man" Savage in WCW ... Was the silent beauty in his strange clique of wrestling personalities that also included Madusa and Miss Madness (Molly Holly) ... Found herself in a series of matches against referee-turned-Ric Flair-wannabe Charles Robinson, but did well despite having almost no experience in the ring ... Left WCW in early-2000 ... Showed up unexpectedly at ECW's Heatwave 2000 in the corner of Tommy Dreamer and Jazz ... Ended up turning against Dreamer and Jazz to help Francine ... Quickly disappeared from wrestling again ... Made several appearances on the independent circuit over the next few years, finally landing in 3PW ... Quickly became the arch-nemesis of Jasmin St. Claire ... Has competed in several bikini posedowns against St. Claire and the other ladies of 3PW, much to the delight of Philadelphia-area male fans ... No one knows where she'll pop up next

web site: www.desirelive.com

toughest opponent: Erica Porter

favorite moves: Headscissors, tornado DDT

ambition: To earn a spot on the WWE roster and to have a successful career as an actress

mini-bio: This raven-haired, green-eyed beauty wanted to be a wrestler ever since she was a little girl, when she watched the WWF on TV with her father and grandfather every week ... Also loved watching the stars of GLOW ("I was really stoked seeing female wrestlers that were heroes to me!") ... Told her dad she wanted to wrestle when she grew up; he responded, "Well, that is what you will be then" ... Did some modeling, TV, and film work after graduating from high school ... Landed a small part in an independent film about wrestling ... Met Jesse Hernandez, owner of The School of Hard Knox, and trained at his facility for two years ("I was so happy to finally find the way in") ... After leaving that school, she trained in the Lucha Libre style with World Pro Wrestling (under Martin Marin) for about a year and later with Revolution Pro (under Ron Rivera), which incorporates Lucha into a more American style ... Has wrestled under the names Desire and Halloween Barbie ... Was invited to a tryout with WWE in December and got to work in the ring with Molly Holly, one of her favorite female wrestlers ... Hopes to join best friend Melina Perez, who was signed to a WWE developmental deal and assigned to OVW

Women of Wrestling

Tell us what you think!

You've probably noticed that while *PWI* has assembled wrestling's most beautiful divas for this special edition, we have chosen *not* to rank them. There are two reasons for that: One, we're chicken. (Brace yourself for an extremely sexist generalization.) You can rank guys in any number of categories, but when it comes to women and their vanity, the safest route is to let somebody else do the dirty work. Therefore, we'll give you the privilege since the women can't hunt you down! Of course, that brings us to our second reason: If enough of you take the time to send in your rankings, we'll have an excuse to do a follow-up issue in the future.

So, we're going to ask you to do two things: Complete the questionnaire and rank the women that appear in this issue (you can use the contents page as your checklist.)

Who is your favorite woman in wrestling? ___

What is most attractive about her? ___

Who is the hottest woman featured in this issue? ___

Who is the hottest woman in this issue whom you had previously never seen? ___

Which non-WWE woman would you like to see in WWE? ___

Which woman do you think is the prettiest that most of your fellow readers will overlook? ___

Which woman has the best body? ___

The best legs? ___

The prettiest eyes? ___

Nicest smile? ___

Best hair? ___

Best outfit? ___

Worst outfit? ___

Rank in order of importance: Wrestling skills ___ looks ___ mike skills ___ intelligence ___ attitude ___

The one woman you'd like to see more pages on ___

Who did we leave out? ___

Who *should* we have left out? ___

(Next two for guys only) Which woman would you be most comfortable introducing to your parents?

___
